

## **WINTER AT DUNTON**

### **COMPLIMENTARY GROUP ACTIVITIES AND EXPERIENCES**

**Winter is a truly magical time to experience Dunton — where snow-covered cabins, steaming hot springs, and crisp mountain air create the feeling of a storybook retreat. Throughout the season, we invite you to join our select complimentary group experiences designed to restore, inspire, and connect you with the landscape around us.**

**Please note:** While we strive to offer every activity listed, availability may be affected by weather, trail conditions, or the well-being of our animals. In these rare cases, our team will provide thoughtful alternatives to ensure your Dunton adventure exceeds expectations.

**Advance Reservations Kindly Requested.** To help us plan and ensure space for everyone, we kindly ask that you reserve your preferred activities in advance. You are welcome to schedule before your arrival or once you're here — ideally 48 to 72 hours in advance — so our team can prepare accordingly. We will always do our best to include last-minute participants, but please note that spaces are limited and we are not always able to accommodate last minute requests
